RE: Getting to know our President, Governor, and Mayor

Valued Parents and Caregivers,

As part of our social studies curriculum we are introducing the president, governor, and mayor as leaders. Your child has been assigned to research the attached question about the president/governor/mayor. You may use the attached information or research materials you find to learn more about this person.

Your child will share these with the class as we learn more about these offices and people in American society.

His/her answer to the research question is due on

_____.

Thank you for your participation in your child's 1st grade social studies work.

Sincerely,

1st grade teachers, James Elementary
